Additional information

Effective April 1, the CA Public Utilities Commission implemented a new line-based surcharge to fund the state's public purpose programs. For more information, see <https://www.cpuc.ca.gov/industries-and-topics/internet-and-phone/t/elecommunications-surcharges-and-user-fees>.

The FCC modifies the rate that voice providers pay into the USF on a quarterly basis. USF is assessed on applicable voice services as the Federal Universal Service Fund at the FCC's approved rate. See: <http://www.fcc.gov/encyclopedia/contribution-factor-quarterly-filings-universal-service-fund-usf-management-support>. A new rate becomes effective 4/1/2023.

The Regulatory Cost Recovery fee is neither government mandated nor a tax, but is assessed by Comcast to recover certain federal, state, and local regulatory costs.

The Broadcast TV Fee recovers a portion of the costs of retransmitting television broadcast signals.
