SMART CHOICE

You know the **Amana**® brand as ‘America’s brand for comfort,’ but for a limited time, you can get a comfortable smart home too! Simply select an **Amana** brand high-efficiency heating and cooling system for your family. Depending on the system you choose, you’ll receive the smart home items for your home. It’s that easy. Make your home safe and comfortable. Don’t delay as **Amana** brand Smart Home Bundles is a limited time offer that you won’t want to miss.

HOW DOES IT WORK?

Dealer sells qualifying **Amana** brand high-efficiency system to a homeowner under the Winter 2019 **Amana** brand Smart Home Bundles program.

Homeowner selects **FREE** smart home items as part of Smart Home Bundles, depending on efficiency level of new system.

Dealer submits claim form at <http://amana.egia.org/finance-promotions/> indicating homeowner’s preferences for **FREE** smart home items.

FREE smart home items are shipped directly to homeowner’s address within 2-4 weeks of claim submission and approval.

Premium Durability and Efficiency

Amana brand high-efficiency systems

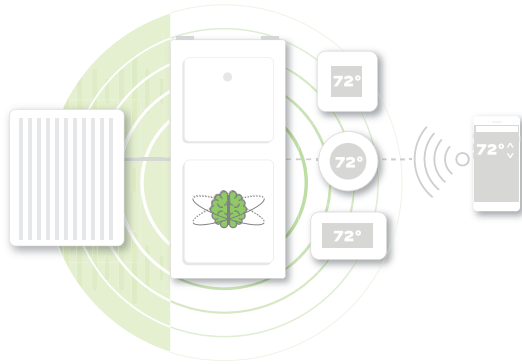

Amana brand heating and cooling systems are a part of the enduring legacy of one of America's most recognized and respected brands. Originating eight decades ago in Amana, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment.

Chances are, you and generations before you have enjoyed the dependable performance and longevity the **Amana** brand continues to deliver.

Amana brand System	Efficiency	Compressor Type	Lifetime Unit Replacement Limited Warranty*	ComfortBridge™ Technology Compatible

AVXC20 / AVZC20	20 SEER	Inverter / Variable-speed	✓	✓ Available only for furnace matchups

HVAC Communicating Control

The revolutionary **ComfortBridge™** technology is factory-installed into select gas furnaces and air handlers to help your entire HVAC system operate cost-effectively at peak performance — providing consistent energy-efficient home comfort.

Simply put, the system's communicating technology that is typically located in a thermostat was moved from the wall and securely placed into the HVAC equipment!

Small and mighty

Google Home Mini

Get hands-free help in any room. Google Home Mini has the Google Assistant built in, so you can get answers from Google, tackle your day, control your smart home, and enjoy your entertainment. Plus, the Google Assistant recognizes different voices using Voice Match, so answers are personalized for you. Google Home Mini works on its own or you can have a few around the house, giving you the power of Google anywhere.

Help at a glance

Google Nest Hub

Google Nest Hub provides help at a glance in any room at home. With the Google Assistant built-in, always see your best and latest shots from Google Photos. Plus, view and control your compatible connected devices from a single dashboard. Simply use your voice to watch YouTube and play songs from YouTube Music*. You can even get your calendar, commute, answers from Google, and more.

*The Google Nest Hub requires a Wi-Fi network, a nearby electrical socket, and a compatible (Android, iOS) mobile device. A Google Account is required for full access to features. Minimum OS requirements are available at g.co/home/req.

Big help for your busy home

Google Nest Hub Max

Nest Hub Max with the Google Assistant helps your busy family stay in touch and on track. Leave video messages and make video calls. Check in on home when you're away with the built-in Nest Cam. See your own calendar, commute, and more. And stay entertained on the 10-inch HD screen and stereo speakers.

Google Duo account required to make video calls and leave video messages. Night Vision not supported. Personalized results, for up to six users, require additional enrollment and setup.

Home Life, Uninterrupted

Google Wifi

Get the best signal on every device, anytime. Streaming a movie or joining an important video call? Prioritize that device for the fastest speeds when it matters most. And, Google's Network Assist software does the hard work for you to eliminate slowdowns so you and your family can keep doing the things you love without missing a beat.

Know who's knocking

Google Nest Hello

Google Nest Hello lets you know who's there, so you never miss a visitor or a package. It can tell the difference between a person and a thing, then alert you. And because it's wired, it streams 24/7, so you can check in anytime. Or go back and look at a 3-hour snapshot history to see what happened.

*Some features, including mobile notifications, remote control, video streaming and video recording, require working internet and Wi-Fi.

24/7 live streaming

Google Nest Cam Outdoor

Who's at the door? Did I leave the garage open? Is someone in the garden? Google Nest Cam Outdoor helps you look after home 24/7, rain or shine. It plugs into power so you never have to worry about dead batteries, alerts your phone when there's activity, and lets you talk and listen from the Nest app. When you subscribe to Google Nest Aware, you also get 24/7 continuous recording and person alerts, so you know right away if someone's there.

You should know what's happening at home

Google Nest Cam Indoor

Did you shut the window? Did the baby wake up? What's the dog getting into? Google Nest Cam helps you stay connected to things – in super clear 1080p HD video. It sends alerts to your phone when there's motion or sound. And only takes a minute to set up. Google Nest Cam lets you see around the clock with Night Vision. And has a built-in mic and speaker so you can tell your dog to get off the couch. Think you missed something? Subscribe to Google Nest Aware + Video History and your Google Nest Cam will continuously record up to 30 days of video so you can rewind and see what happened.

Additional information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.
