Hi Kellie, yes I do recall and have the email/approval from Gregg and Daikin for the late submissions. I've listed the customers below with a couple notes, based on the Registration Certs you attached.

These claims will need to be submitted in the Rebate Portal for processing and approval. I have re-opened the Dealers Choice Instant Rebate program for you so you can enter. The rebate claim portal is www.egia.org/dealerrebates, you have an account set up under kburns@precisionairtn.com – does this need to be changed, if so to what email?

I've attached a step by step guide for how to submit claims. It is important that you submit the claims under the option that says "Dealer Choice Instant Program" to get the full rebate including the extra \$550 incentive. Once submitted please send an email with the claim numbers back to all on this email chain.

Happy to help you with the submission process if needed. Please let me know.

Don Stinnett – 1 FIT installed 3/29/23

David Conrad – 1 FIT installed 5/15/23

Safa Dorfman – 1 FIT installed 5/14/23

Joe & Gayle Gibbs – 2 FITs installed 5/11/23 (be sure to enter BOTH FIT systems on the same claim, just select "Add Product" again after entering the first system)

Jim Scott – 1 FIT installed 8/13/23

Ron Derr – 3 Furnaces (2 DM96 and 1 DM97) installed 8/5/23 (If this has FIT system(s) on it please be sure to include those registration certs when you file the claim)

Subject: Rebates

Awhile back Gregg Hamm with Associated Equipment / Daikin was trying to assist us with getting some rebates that were left on the table.

The lady that handled this retired abruptly without training anyone and these were found after she left. The email was sent back in august or september asking for assistance - sorry for the delay as Covid has hit our office leaving us short handed

I have attached the registration certificates to assist

Please advise

Sincerely,

Kellie LaFrenier
