Original purchase must be equipment for up to \$35,000 with a model and serial number. Services financed without a model and serial number must be less than \$12,500. Subsequent purchases require approval and may require that the customer's credit be checked.

Rates are subject to change without advance notice. Subject to credit approval. No credit card processing fees or application fees. Monthly payment calculator is an estimate.

ApproveMore Program

ApproveMore is a program that provides the contractor with options for customers with challenging credit profiles. We will approve the customer with a higher interest rate. With an ApproveMore approval you will be able to select an option with or without an additional fee. The additional fee is to be paid by the contractor and will be deducted at the time of funding.

Financing to help contractors grow their business, not their to-do list

-  No cost programs to the contractor
-  Approvals based on a homeowner's entire financial situation, not just their credit score
-  Dedicated service to both contractors and homeowners
