1. Tenant ID
2. User ID
3. Password

Or

1. Email address (Registered with Ricoh Smart Integration)
2. Password

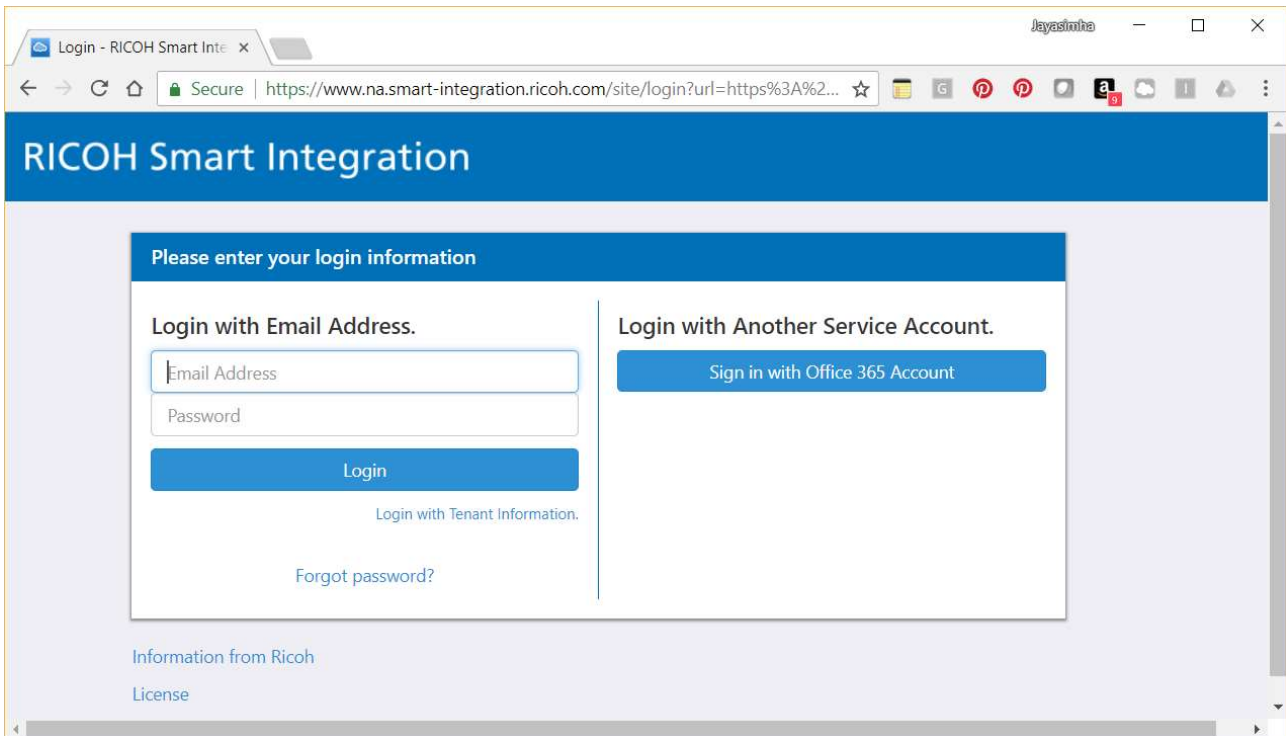

Logging in to User Site

Option 1: Using Tenant ID, User ID and Password

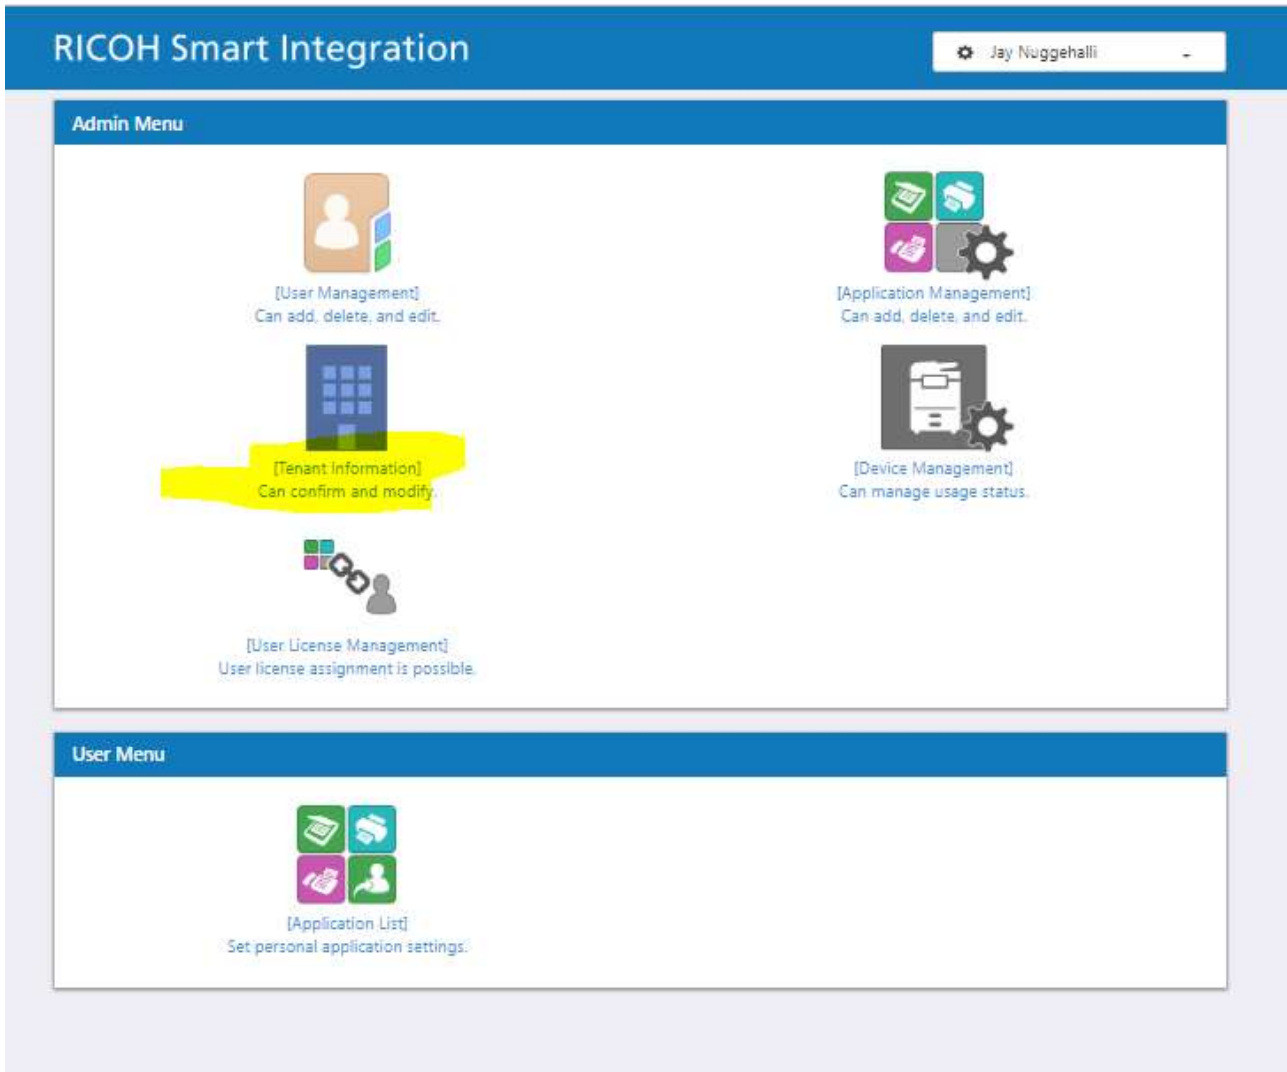

Option 2: Email Address and Password

To get to this screen click on 'Login with Email Address' in the above screen.

Accessing 'Login Method'

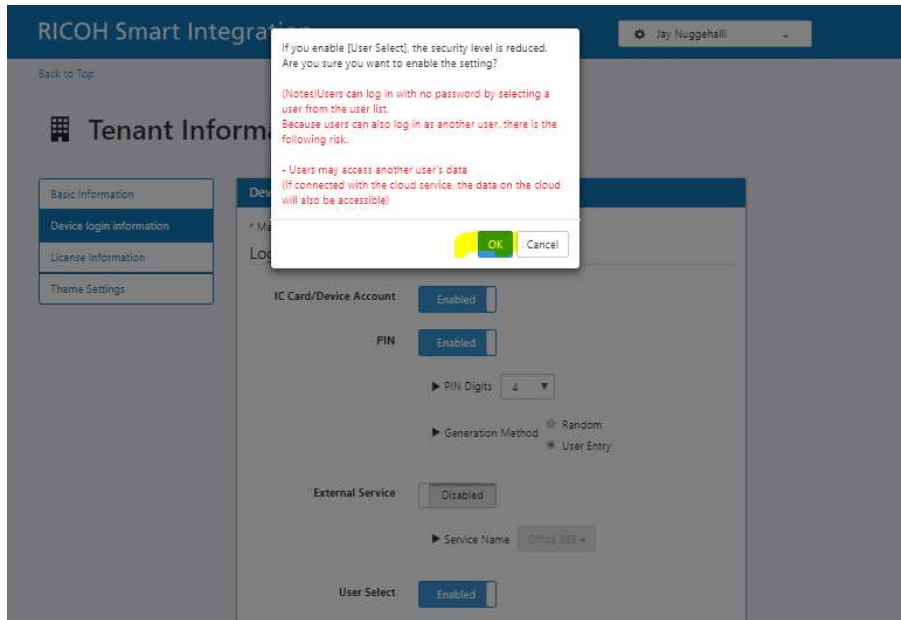

Click on 'Tenant Information'

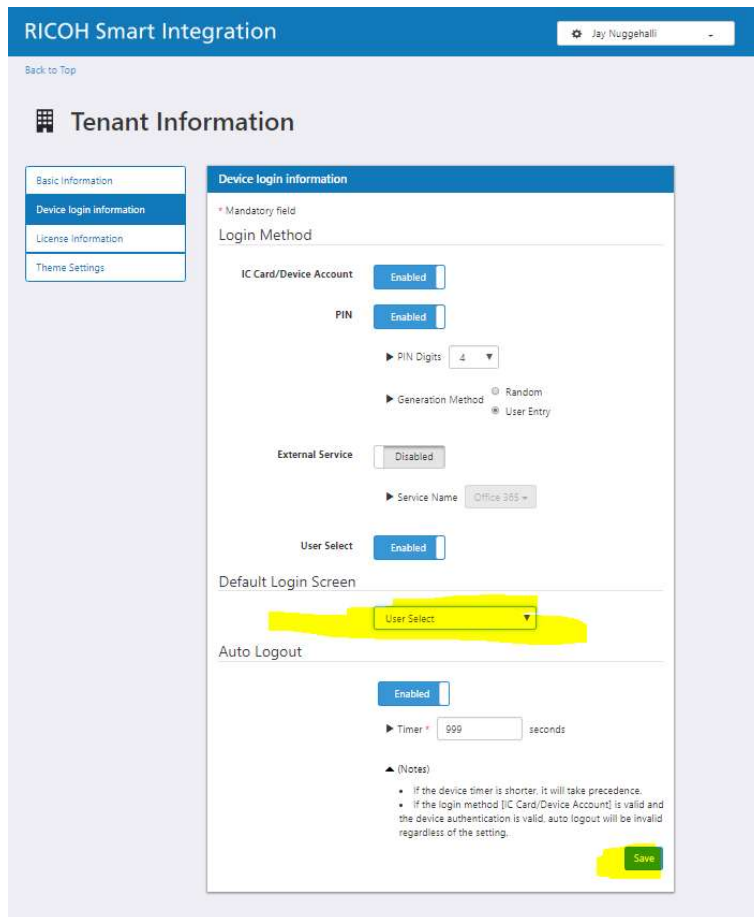

Click on 'Device Login Information'

The screenshot shows the 'RICOH Smart Integration' interface. At the top, there is a blue header with the text 'RICOH Smart Integration' and a user profile 'Jay Nuggehalli'. Below the header, there is a 'Back to Top' link and a 'Tenant Information' section with a grid icon. On the left, there is a sidebar with four menu items: 'Basic Information', 'Device login information' (highlighted in green), 'License Information', and 'Theme Settings'. The main content area is titled 'Device login information' and contains several sections: 'Login Method' with 'IC Card/Device Account' and 'PIN' both set to 'Enabled', 'PIN Digits' set to '4', and 'Generation Method' set to 'User Entry'; 'External Service' set to 'Disabled' with 'Service Name' set to 'Office 365'; and 'User Select' set to 'Disabled'. Below this is the 'Default Login Screen' section with a dropdown menu and the text 'Nothing is selected for Default Login Screen.'. The 'Auto Logout' section is set to 'Enabled' with a 'Timer' of '999 seconds'. A 'Save' button is located at the bottom right of the form.

Enable 'User Select'

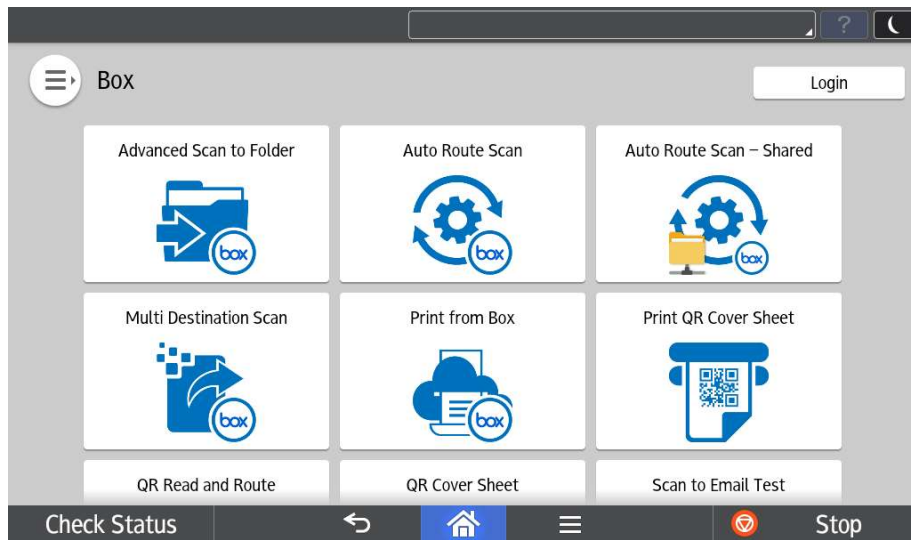

Click 'OK' on above Dialog

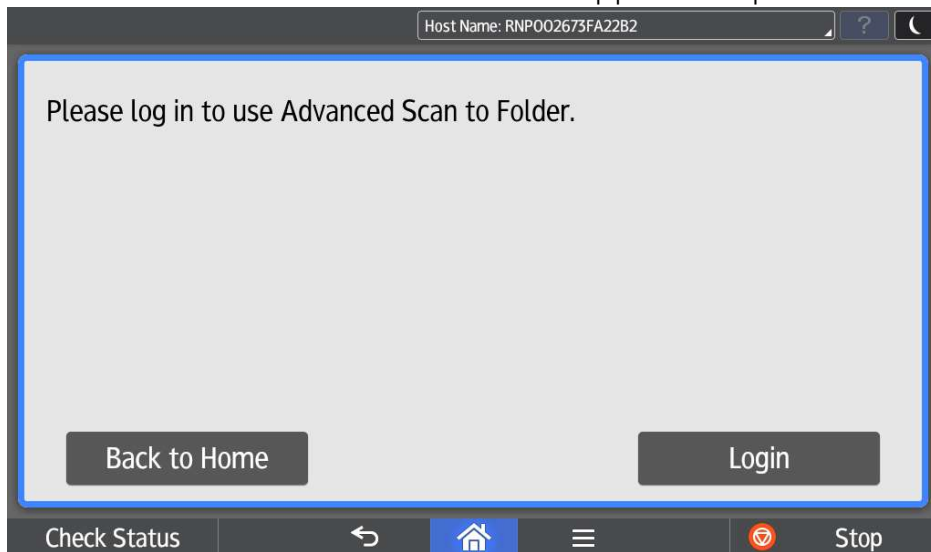

Select 'User Select' in Default Login Screen list box. Then click on 'Save' button.

4 Workflow Settings to Skip Password

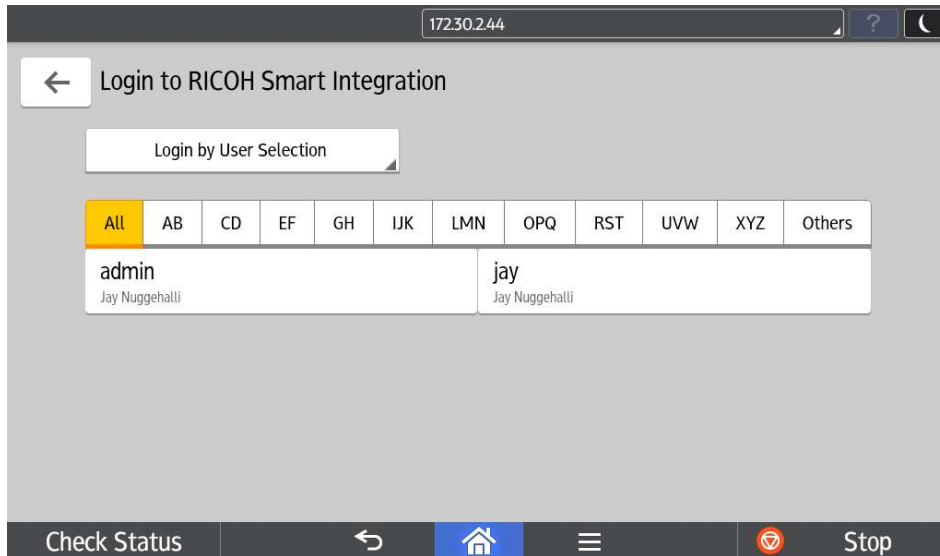

On MFP Operation panel, touch on 'Smart Integration' ICON to access Cloud Workflows.

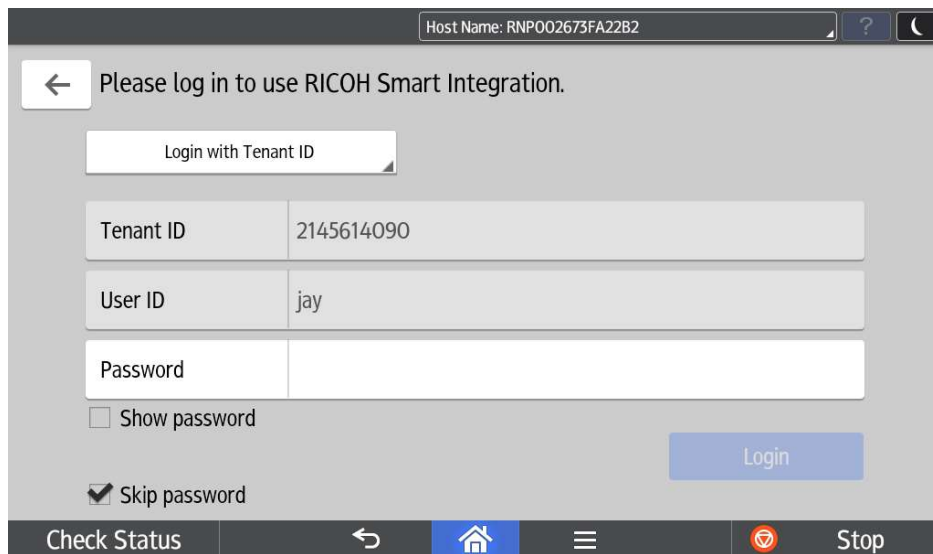

Touch on desired workflow application

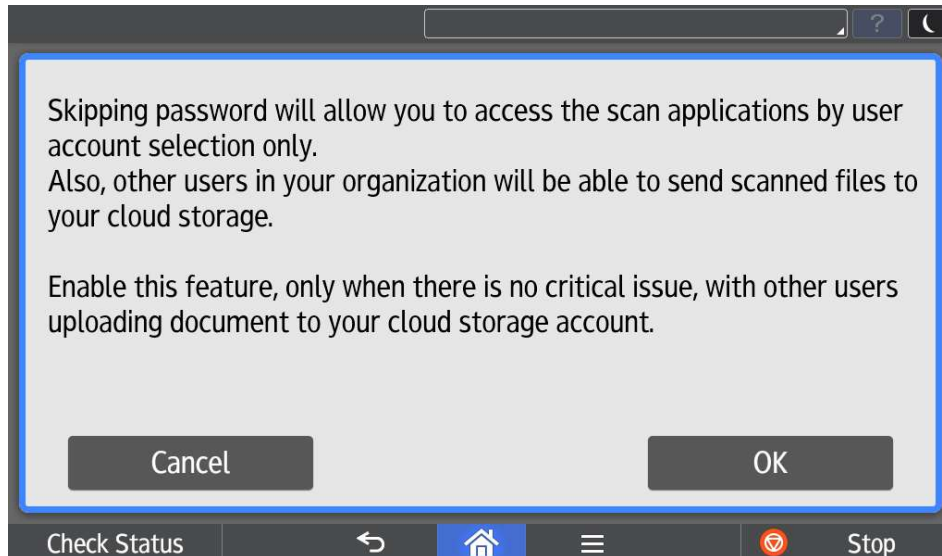

Touch on Login Button

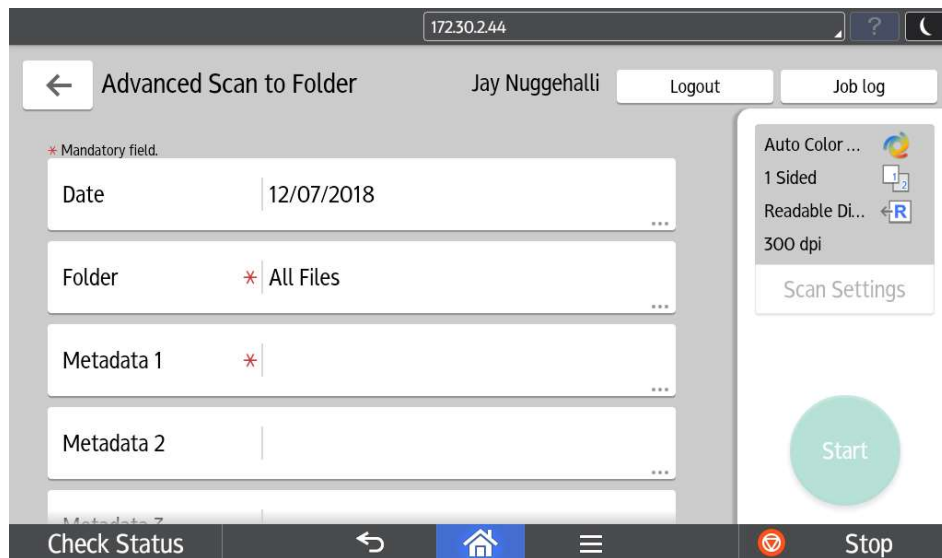

Touch on desired 'User'
